Message

Hello, we would like to send a warm and appreciative thank you to the Smithtown Children's Foundation for thinking of my son Adam [REDACTED]. Adam is a recent graduate of Hauppauge High School and was headed up to SUNY Cortland to begin College, but a swimming pool accident put him in the hospital requiring extensive surgery and inpatient physical therapy. He is home now and will go to outpatient physical therapy in the months ahead to regain his strength and mobility. Adam is very committed to his recovery, the athlete in him wouldn't have it any other way. Adam was a member of LIVBC's boys volleyball travel team for several years as well as Hauppauge's volleyball and baseball teams.

Christine Fitzgerald was kind and thoughtful in thinking of Adam in his time of need and visited us to drop off wonderful donations from both Smithtown Childrens Foundation as well as from LIVBC as her son was also a member.

We can't thank you enough for reaching out to us with your generosity.

Sincerely,

ToniAnne [REDACTED]
