Over the last nine years, **The Smithtown Children's Foundation** has provided over \$500,000 in relief and support back into our Smithtown community. Our goal is to reach across town lines to inspire others to form chapters in their towns. We have partnered with the **Stony Brook Children's Hospital** for the first Smithtown Children's Foundation **Community Table** event. It will be held at Flowerfield in Saint James on **Tuesday, November 15, 2016**.

We will be honoring four-time James Beard nominee **Chef Guy Reuge** for his 50 years of culinary excellence and charitable contributions in our communities. Many of **Chef Reuge's** protégés will be participating in this grand tasting event.

We hope you can pull up a chair and join us! (left to right) **Chef Jonathan Contes** of Mosaic Saint James, **Chef Bill Rhame** of SCGP Café, Stony Brook, Community Table honoree **Chef Guy Reuge** of Mirabelle, Stony Brook and **Chef Paolo Fontana** of SCGP Café and Edible Long Island's 2015 Edible Hero.

Active citizenship builds strong communities. The Smithtown Children's Foundation welcomes all community spirited partners to help build strong, vibrant and healthy communities. Our hope is you will be a partner.

We have sponsorship opportunities at multiple levels. Donations to be used for an on-line auction and raffles are currently being accepted. Tickets for the event will go on sale in September.
