STAY armSTRONG

On November 13th, 2015 a community came together at Smithtown East High School for a ribbon cutting ceremony inspired by a former student Liam Armstrong, who sadly passed away two years ago. This waterfall and seating area was presented to the students and faculty of the school as a thank you for their love and support during such a difficult time. The Smithtown Children's Foundation spearheaded this project with advisory board member, Susan Walsh of Hart & Co. Salon. This was a tremendous collaboration and included the help of many people in the community. Thank you to Mr. Armstrong, Ian Armstrong, Conner Armstrong, Dakota Walsh, Jake Reddo, Neil Garvey, Scotty Scanell, Kevin Unrein, Dominick Maio, Michael Russell and Amber Todaro for all of your muscle and hard work! Thank you to many of our local businesses that didn't think twice when asked to donate their services. Thank you Bulldog Contracting, Mazelis Landscaping and Father Nature's Nursery for your time, talent and kindness to create such a beautiful space. Thank you to Harbor Hill Dental, C.S. Jorgenson, the Walsh Family, the Armstrong Family and King O'Rourke for donating the red adirondack chairs. A very special thank you to Nexcycle Studio in St. James who rise to the occasion every time they are asked. Special thanks to Smithtown School District East Principle Ed Thompson and his amazing faculty and staff. It is the hope of the Smithtown Children's Foundation that the students enjoy this new area for years to come.
